SUMMARY

With 2 years of experience in IT and administration, I have developed expertise in roles such as System Administrator and IT Support. Additionally, I have served as an Administrative Assistant in a financial services company. I hold a bachelor's degree in Information Systems and am enthusiastic about applying my knowledge, gaining hands-on experience, and tackling challenges that test my analytical and problem-solving skills. I am eager to explore new opportunities to further develop my abilities in the future.

EDUCATION

Hacktiv8   **Jakarta, Indonesia**
Full Stack JavaScript Immersive Program (Transcript)   *November 2024 – March 2025*

Universitas Darwan Ali   **Sampit, Indonesia**
Bachelor of Information System (GPA 3.81/4.00)   *February 2018 – October 2023*

WORK EXPERIENCE

PT. Mitra Link Borneo   **Sampit, Indonesia**
System Administrator & IT Support   *July 2022 – December 2023*

- Delivered comprehensive training to employees on the use of enterprise systems, hardware, and software to support successful system implementation.
- Developed reports, performed system maintenance, and conducted rigorous testing of system components, ensuring alignment with the specific requirements of each business division.
- Designed and implemented IT infrastructure solutions, including network systems, CCTV, access control systems, IoT devices, and servers.

PT. ASADEL Tek   **Sampit, Indonesia**
UI-UX Designer   *January 2022 – June 2022*

- Collaborated with the software development team at UNDA University on a major Metaverse project. The development process encompassed planning, designing, developing, testing, and releasing. My role focused on UI/UX design, including front-end website design for the official Metaverse platform and 3D modeling for virtual reality environments.

PT.Batavia Prosperindo   **Sampit, Indonesia**
Internship Administratif   *February 2018 – July 2018*

- Entered client payment data and billing information from the collection department into the company's system.
- Prepared monthly attendance reports for employees, including details on leave and tardiness.

SKILLS
